

JASMIN WEHNER

Web: <https://wehnerjasmin.github.io/> ◇ Email: jw2754@cornell.edu

RESEARCH INTERESTS

Agricultural Economics, Data Science, Adoption of emission reducing technologies, Consumer Acceptance of Agricultural Innovation

EMPLOYMENT

Cornell University

Postdoctoral Associate

01/2025 – present

Visiting Graduate Researcher

10/2024 – 12/2024

United States

European Food Safety Authority

Data Analyst

02/2020 – 07/2021

Italy

Potsdam Institute for Climate Impact Research

Research Assistant

04/2018 – 01/2020

Germany

EDUCATION

Georg August University Göttingen

PhD Program in Agricultural Economics

09/2021 – 01/2025

Germany

Research Training Group Sustainable Food Systems

Title: “Climate Change Adaption and Market Power in the Dairy Sector”

Humboldt University of Berlin

Master of Science in Agricultural Economics

10/2017 – 05/2021

Germany

Humboldt University of Berlin

Bachelor of Science in Economics

10/2014 – 09/2017

Germany

PEER-REVIEWED PUBLICATIONS

5. **Wehner, J.**, Zhang, W., Wolf, C., Ray, L., McLaughlin, D. (2026). Drivers of Current and Future Anaerobic Digester Investment on U.S. Dairy Farms. *Journal of Dairy Science Communications*. <https://doi.org/10.3168/jdsc.2026-1066>
4. Squarcina, M., Haensch, J., Montoya Cepeda, F. M., Pallauf, M., Paz, B., Stehl, J., **Wehner, J.**, & Wollni, M. (2026). Developing a Multidimensional Resilience Index for Farm Households: A Food System Approach. *World Development*. <https://doi.org/10.1016/j.worlddev.2026.107342>
3. Maruejols, L., **Wehner, J.**, Hoeschle, L., & Yu, X. (2025). Gravity With Lasso: Global Cereal Trade With Factors of Conflicts, COVID-19, Currency, China, Climate Change and Income ('6C'). *The World Economy*, 1–27. <https://doi.org/10.1111/twec.70033>
2. Liu, S., **Wehner, J.**, Feil, J.-H., & Yu, X. (2025). Harmony, Conflict, and Evolution of the Common Agricultural Policy in Europe: A Text Mining Survey. *Modern Agriculture*, 1–14. <https://doi.org/10.1002/moda.70020>

1. **Wehner, J., & Yu, X.** (2023). Carbon tax on milk products and the exact consumer welfare measure in emerging economies. *Agribusiness*, 1595–1623. <https://doi.org/10.1002/agr.21854>

WORKING PAPERS

5. “Do Dairy Digesters Drive Farm Expansion Plans? The Role of Developer Ownership”
with Chris Wolf and Wendong Zhang
Pre-Registration at: AEARCTR-0016447
4. “Asymmetric Consumer Responses to Competing Sustainability Attributes: Evidence from a Framed Field Experiment”
with Tongzhe Li, Jingyi Tong, Wendong Zhang
Pre-Registration at: AEARCTR-0016264
3. “How Belief Updating Turns Consumer Valuation of Low-Methane Milk from “Sounds Yucky” to “Sounds Good””
with Wendong Zhang and Chris Wolf
Pre-Registration at: AEA RCT Registry
2. “Do Dairy Digesters Reduce Methane Emissions? Evidence from Satellite Data.”
with Lauren Beatty, Wendong Zhang, MeiMei Collins, and Dave McLaughlin
1. “Barriers and Incentives to Anaerobic Digester Adoption: A Nationwide Analysis of U.S. Dairy Farms”
with Chris Wolf and Wendong Zhang [under review]

WORK IN PROGRESS

4. “How News Consumption and Institutional Trust Shape Perceived Effectiveness of Emission Reductions: Evidence from high income countries”
with Giacomo Ferraro, Doris Laepple, Jens Rommel, Daniel Enriquez Hidalgo Wendong Zhang and Chris Wolf
3. “Negative information from abroad vs climate-policy financial incentives: U.S. Dairy Farmers’ Willingness to Adopt Methane Reducing Feed Additives?”
with Wendong Zhang and Chris Wolf
2. “Herd Size Expansion Plans of Dairy Farms in the U.S.”
with Wendong Zhang and Chris Wolf
1. “Food Safety or Foreign Policy? Using Machine Learning to Predict EU Border Rejections”
with Dela-Dem Doe Fiankor, Bernhard Dalheimer, Wendong Zhang and Xiaohua Yu

NON PEER-REVIEWED PUBLICATIONS

3. **Wehner, J., Tong, J., Zhang, W., Li, T., Pulliam, K., Gonthier, D., Sciligo, A., and Miller, E.** (2025). Kentucky Consumer Perceptions and Key Attributes in the Willingness-to-Pay Study for Cucumbers: SSRN Electronic Journal. DOI
2. **Wehner, J., Feil, J.-H., & Yu, X** (2024): “Investigating market power in the German dairy industry.”
[Available as discussion paper]

1. **Wehner, J., & Yu, X** (2024): “Drivers Of The Global Thirst For Milk.”
[Available as discussion paper]

CONFERENCES AND SEMINAR PRESENTATIONS

2026: AAEE Annual Meeting (Kansas City, MO, US), Anaerobic Digestion on the Farm Conference (State College, PA, US), NAREE Annual Meeting (Red Bank, NJ, US) **2025:** Cornell Food & Agriculture Economics Seminar (Ithaca, NY, US), XVIII EAAE Congress (Bonn, Germany), AAEE & WAEA Annual Meeting (Denver, CO, US), NAREE Annual Meeting (Burlington, VT, US) **2024:** 32nd ICAE (New Delhi, India), 5th SECU Congress (Leuven, Belgium) **2023:** XVII EAAE Congress (Rennes, France) **2022:** AgEconMeet (Göttingen, Germany)

TEACHING EXPERIENCE

Teaching assistant	10/2019 - 10/2020
Class: Social-Ecological Systems Analysis and Land Use Modeling of Climate Change Impacts	Germany
Tutoring for financially disadvantaged students	11/2022 - 10/2024
Society “StudyTutors”	Germany

HONOURS AND ACHIEVEMENTS

Career Advancement and Mentorship Program (\$800)	2025-2026
EXECON Scholarship (\$1,000)	2025
TRUST Scholarship (\$400)	2025

JOURNAL SERVICE

Reviewer for Future Foods (1), Agricultural Economics (1), Food Security (4), Science of the Total Environment (1), Agribusiness (1), Austrian Journal of Agricultural Economics and Rural Studies (1)

ACADEMIC EXCHANGE

Cornell University	09/2023 – 12/2023
<i>Research Stay</i>	USA
Andrássy University Budapest	09/2016 - 02/2017
<i>Visiting student, Course work in International Economics and Business</i>	Hungary
